### ***Jean Ip Foundation Scholarship Funds:***

Beyond charitable activities for local communities, the Jean Ip Foundation is keen to expand its activities under its second core pillar, which is advancing education through scholarships. With this in mind, the Foundation is seeking to collaborate with Metro Vancouver School Districts to establish scholarship opportunities for eligible students who are seeking to advance their education particularly those students who are in need of financial assistance.

This gift is intended to provide support for an award to a student who can demonstrate contribution to this community and who is graduating Grade 12. Preference will be given to applicants who have had to overcome adversity in the pursuit of their education, and who have demonstrated leadership qualities. The gift is awarded on the recommendation of the school scholarship committee from the participating Metro Vancouver School Districts. For the 2021 school calendar year, Jean Ip Foundation will be awarding 50 scholarships with \$2,000 each, in the amount of \$100,000.
